## Artist bio

Kelly made a living at music for 15 years before starting to write songs. Now five CDs later with songwriting awards, an Album of the Year award from the Texas Music Awards as well as nominations for Entertainer of the Year and Producer of the Year, he is living a dream!

He currently resides in the Clear Lake/NASA area of Houston near Galveston Bay and many of his songs reflect the Gulf, boats, islands, sailing, beaches, Buffett, Belize and his years as a yacht broker. There are also fan favorites about life, love, guitars, daughters, and mom and dad!

Touring either solo or with his band he travels Coast to Coast as well as to Belize, Mexico, and Canada, he does house concerts, private events, festivals, and concerts, performing his own uniquely gulf flavored songs.
